### A WORD ABOUT OUR SEVENTH ANNUAL SPRING SALE

From a very modest beginning seven years ago we feel that our sales here have increased every year both in numbers and in quality in a very commendable fashion. This sale will see not only the largest number of cattle assembled here but we feel that the quality will also surpass previous years, especially in the female offering.

As in the past, high flesh and fitting will be most noticed by it's absence but the stock will be in excellent breeding condition and should provide the best opportunity in a number of years to improve and increase your breeding herds. Many of the females, (of which nearly all are bred to some of the better bulls of the breed) listed as pasture bred will have calves and some may be rebred by sale day.

We are proud to have again as we have had in previous years the loyal support of several well known outstate breeders of Shorthorn cattle, including the Retzlaffs, Thiedes, Hunt Bros., I. J. Sample, Wm. Boysen, Eric Ambrose and this year for the first time, from the fast climbing Aksarben Acres herd, the largest female consignment of the sale. A great number of these females carry the service of their great new herd bull, C. Gold Max 4th, a real herd bull in the eyes of many good cattlemen who have seen him. You will find the local breeders of this area leading animals into the ring which will be right in line with quality and breeding of any of the other consignments.

Whether you need foundation females, bred or open heifers, strong aged breeding bulls or bull calves of some of the breed's best bloodlines; We extend to you a cordial invitation to be with us in NELIGH, NEBR. ON SAT. MARCH 7TH AT NOON SHARP. Better still come in the day before. A card to John G. Donner, Sale Mgr., Elgin, Nebr. will reserve a room if you desire.
